Date: August 1, 2014

The ENERGY STAR® Loan Program
August 1, 2014 - March 31, 2015

As a participating Network Member, you can now offer customers financing at prime + 2% (OAC) for the purchase and installation of:

- ENERGY STAR qualified furnaces (95% AFUE or higher) with a brushless DC motor
- ENERGY STAR qualified boilers (90% AFUE or higher)
- ENERGY STAR qualified air conditioners with a SEER rating of 14.5 or higher
- ENERGY STAR qualified natural gas domestic hot water heaters (EF .67 or higher)
- ENERGY STAR qualified ventilation systems certified by the Home Ventilating Institute (HVI) as a heat- or –energy-recovery ventilator

Any other natural gas appliance that is purchased and installed in combination with any ONE of the eligible equipment options listed above.

Reminder: Maximum amount of loan is \$15,000 per customer; maximum term is 5 years. Loan deferrals are not applicable.

Prime Rate* + 2.00% = 5.00%

If you require assistance with financing procedures or paperwork, please call the
TD Financing Service's Internal Business Office at 1-866-373-9450

*Based on current prime rate of 3%, rate subject to change without notice.

If you would like to participate in this program and have not already done so, please sign and return the ENERGY STAR Loan Program Terms and Conditions to (fax) 306-522-2217, or by email to your Customer Solutions Leader. The Terms and Conditions were sent to you July 18. If you need a copy of the Terms and Conditions to sign, please contact your Customer Solutions Leader.

A supply of brochures will be sent to you shortly. As well, information regarding upcoming advertising initiatives to promote the Loan Program will be available in the next few weeks.

If you have any questions, please contact your Customer Solutions Leader.
